The following rule changes are being proposed by the WAC Review Committee to the WAC's cited below:

1. 314-20-100(7)(8) - Deletes outdated language which refers to RCW 19.90 and adds replacement language of "acquisition cost."
2. 314-20-105(5) - Deletes outdated language which refers to RCW 19.90 and adds replacement language of "acquisition cost."
3. 314-24-080 - Eliminates references to container sizes listed in U.S. gallons or fractions thereof and allows for all sizes approved by BATF or other sizes as approved by the Board.
4. 314-24-190 - Two changes are recommended; both are housekeeping in nature. First, amends references to the wine tax to include the surcharge so the reader will know the wine tax is \$0.2167 cents per liter. Secondly, deletes references to 19.90 RCW and adds the language "acquisition cost."
5. 314-24-200 - Two changes are recommended; both are housekeeping in nature. First, amends reference to the wine tax to include the surcharge so the reader will know the wine tax is \$0.2167 cents per liter. Secondly, deletes references to 19.90 RCW and adds the language "acquisition cost."
6. 314-28-010 - This is a housekeeping change to update the reference to a \$50.00 license to the \$200.00 fee which was set by the 1981 Legislature.
7. 314-52-114 - Deletes hard to understand language relating to the cost of doing business and inserts the language of "acquisition cost."
